GUIDELINES FOR LECTURES AUTHORS

1. Lecture abstract in English to fit on ½ A4 page according to the following format requirements: Arial, size 12, interline 1, standard margins, file format *.doc or *.xdoc.
   Lecture abstracts will be used as materials for the lecturing sessions leaders – all relevant texts and graphics must be delivered by 3rd April 2015.

2. Lecture – up to 10 pages including drawings, tables, bibliography – to be supplied in A4 format, Arial, size 12, interline 1, standard margins. Conference Proceedings shall be published on a CD – the deadline for submission of texts for publishing is 7th May 2015.

3. Abstracts and lectures should be sent by e-mail or on CD by post.

4. Please, put the author’s personal details at the beginning of the abstract (academic degree, name, employer’s name and address, phone number and e-mail address).

Conference invitation along with the detailed program will be forwarded to you until the 7th of May 2015.

CONFERENCE VENUE AND DATES
17th – 19th June 2015
‘JASKÓŁKA’ Hotel. 10, Zdrojowa St., 43-450 Ustroń, Poland
http://www.jaskolka.com.pl

CONFERENCE OFFICE

Address: The Research and Supervisory Centre of Underground Mining Co. Ltd
43-143 Lędziny, 8 Lędzińska Street, Poland.

Office manager:
MSc Justyna SALWIERAK
Phone: +48 32 32-42-262,
e-mail: j.salwierak@cbidgp.pl

Secretaries:
MSc Klaudia BANERT
Anna NIESZPOREK
Phone: +48 32 32-42-262, +48 32 32-42-263
Fax: +48 32 32-42-263, +48 32 21-66-666,
e-mail: ekidk@cbidgp.pl

CONFERENCE ANNOUNCEMENT & CALL FOR PAPERS
2nd International Conference on
MECHANIZATION, AUTOMATION AND ROBOTIZATION IN MINING ENGINEERING
Ustroń, 17th – 19th June 2015

ORGANIZING COMMITTEE

Chairman:
Professor Krzysztof KRAUZE – AGH University of Science and Technology, Cracow, Poland

Deputy President (Vice Chairman):
MSc Czesław FILIPEK – The Research and Supervisory Centre of Underground Mining Co. Ltd, Lędziny, Poland

Members:
Ph.D., Eng. Marcin NAWROCKI – AGH, Cracow, e-mail: marcin.nawrocki@agh.edu.pl
MSc Eng. Paweł TOMACH – AGH, Cracow, e-mail: tomach@agh.edu.pl
The former five conferences that have been organized so far jointly by CBiDGP and KMGPiT AGH from Cracow were dedicated to the issues of safety in design, construction and operation of machinery and equipment for underground mining. However, both own experience and remarks and suggestions moved by numerous participants of these meetings have encouraged us to extend the conference scope with issues related to broadly understood mechanization, automation, control and robotizing of technological processes in both underground and open-pit mining as well as to electric engineering in the mining industry. It is why this year, for the first time and on grounds of expertise from past meetings the decision was made to enhance the scope of conference topics and rename the event to the Conference on “Mechanization, Automation and Robotizing in Mining Engineering”. These innovations meet halfway expectations of the mining supervising staff, research and scientific organizations, technical universities, manufacturers of machinery and equipment for both underground and surface mining, but first and foremost – of those who use that machinery and equipment in their day-to-day practice.

It is expected that topics addressed during the conference shall refer to machinery and equipment for underground and open-pit mining, for transportation and haulage and for mechanical treatment of minerals as well as to electric engineering in the mining sector. Obviously, all these topics shall pay due consideration to the issues of safety, in line with innovative and more efficient mining technologies. The paper shall subject to regular peer-to-peer review and the ones that get approvals from two reviewers and presented during the conference shall be published in a printed monograph book.

**Framework Programme for the Conference**

**Tuesday, 16th June 2015**
- 17.00 - registration of participants TG Robotics in Mining
- 19.00 - dinner

**Wednesday, 17th June 2015**
- 09.00 - 13.00 - TG Robotics in Mining Workshop
- 12:00 – registration of participants
- 14:00 – 14:10 – opening of the Conference
- 14:10 – 16:30 – plenary session
- 16:30 – 17:00 – break
- 17:00 – 19:00 – plenary session – continuation
- 19:00 – 20:00 – dinner

**Thursday, 18th June 2015**
- 09:00 – 10:30 – topic sessions
- 10:30 – 11:00 – break
- 11:00 – 13:00 – topic sessions
- 13:00 – 14:00 – lunch
- 14:00 – 16:30 – topic sessions
- 16:30 – 16:50 – break
- 16:50 – 19:00 – topic sessions
- 19:00 – 20:00 – dinner

**Friday, 19th June 2015**
- 09:00 – 10:30 – topic sessions
- 10:30 – 11:00 – break
- 11:00 – 13:00 – general session and conference closure
- 13:00 – 14:00 – lunch

**SUPPLEMENTARY INFORMATION**

Please send the attached registration form by 3rd April 2015 to the address of the organizer along with the following details:
- participation in the conference with or without a paper /presentation,
- delivery of a promotion speech – advertisement of a company (presentation during the conference within the 20 minute limit),
- advertising of a company in the Conference Proceedings or other printed matters according to the full-colour camera-ready copy submitted by advertisers – 1 page,
- booking exhibition space for an advertising stand (2m²) to be arranged by the exhibitors on their own discretion, extra exhibition area to be agreed upon,
- presentation of a poster, etc.

The organizers shall provide multimedia facilities for presentation of papers.
